We will need masses of volunteers

If walking isn't for you, how about coming along and being a part of the team helping at the event – supporting the walkers and the Hospice. The event will be a fantastic fundraiser and hugely enjoyable. The atmosphere will be electric. We will need help with registration, stewarding, administration, marshalling, support vehicles – plus various other jobs that may spring up on the night.

We can't do it without your help! Sign up as a volunteer

Be part of our Hospice Shop Drop

We would like to encourage our Midnight Walk participants to support the work of our 14 Hospice Shops and would ask you to have a clear out prior to the event and bring with you on the night, a bag with your unwanted good quality items. We will have a drop off point at registration at Central Station to leave your donated items. Each bag could be worth up to £30 to the Hospice and your support is invaluable to our shops and helps us continue to fund the care we provide.

The Prince & Princess of Wales Hospice Midnight Walk 2012

BE A PART OF SOMETHING SPECIAL...

Join Glasgow's Midnight Walk. We are planning a fabulous night, with some real fun planned before the walk departs and you have your opportunity to light up the city. You can choose to walk either 5k or 10k both of which will take you past some of Glasgow's best known landmarks along the way. All distances start and finish at Glasgow Central Station and follow a well lit and safe route. This event promises to be a thoroughly rewarding and fun challenge.

GOING THAT EXTRA MILE FOR GLASGOW'S HOSPICE

The sponsorship money that you will raise by taking part in the Midnight Walk will enable the Hospice to help terminally ill patients face their own personal challenges and make the most of the time they have remaining.

Each year our highly trained staff and dedicated volunteers bring comfort, dignity and peace of mind to hundreds of patients in Glasgow – support to their family and carers too. As a charity, all Hospice care is absolutely free, thanks to people like you who support our fundraising events.

Your support is all the more important as we develop plans for a new Hospice in Glasgow, due for completion in 2016. As well as enhancing existing adult services, this will allow us to develop a much needed service specifically for young people aged between 15 to 25 years old.

The Midnight Walk is organised by The Prince & Princess of Wales Hospice and sponsored by Brookfield Multiplex Ltd with the support of Glasgow City Council and Network Rail.
